

OUTSTANDING ALUMNAE
v
Award of Achievement

During each National Convention since 1955, we have been privileged to honor notable women within our membership who through personal achievements inspire others to seek the heights. Initiating exceptional, talented, and achievement-oriented women has been an inherent factor in Alpha Chi Omega's successful progress through the years.

This award recognizes outstanding alumnae who have made significant contributions resulting in national recognition in their chosen fields. The presentation of this beautiful gold medal will be a highlight of the 2006 National Convention.

The National Convention is presently seeking nominations from collegiate chapters, alumnae chapters, and individual members for this award.

The recipient should have gained recognition nationally or regionally as outstanding in: arts and literature, civic affairs, business, their chosen profession, or science. Many alumnae have earned outstanding local recognition, but this award demands more than local acclaim. Former nominations may be updated and renominated for consideration by the recommendations committee.

If you know of an outstanding Alpha Chi Omega deserving of this award, please complete the nomination form **by February 1st** and send it with a letter of support to:

**Alpha Chi Omega Headquarters, 5939
Castle Creek Parkway North Drive
Indianapolis, IN 46250**
